

Dear Shelly,

That is the key. I left the bottom of my favorite bikini & my Jimmy Choo sandals! I am really going to miss those shoes. I know you really wanted those shoes. I bet you swiped the key & went back & got them for yourself. It's not like it would be the first time you did that.

I love you anyway. Next time just ask for the shoes, will ya. 😊 I know we are going to the Redskins/Dallas game. Am trying to find something small to cook on for the tail gate. See ya there!
